Proenza's Cozy Halloween

JACK McCOLLOUGH and Lazaro Hernandez's first party to celebrate All Hallows' Eve has a casual, country-style mood. "We're planning a weekend away at a log cabin in the Catskills," Hernandez says. "We'll sit by the fire and sip a good Bordeaux with friends."

To drink: A 2001 Château Monbousquet from Saint-Emilion, served in Rosenthal TAC 02 Bordeaux glasses, by Walter Gropius. **Decor:** Kilim pillows. **Flowers:** "Craspedias—they're one of our favorites." **On the menu:** Tuscan sausage-and-bean soup served in Astier de Villatte's Neptune bowls. **On the soundtrack:** Glass Arcade, the Specials, Baxter Dury, and New Order.

LELA ROSE: "I'm throwing a seated dinner for 100 guests when we move into our new apartment. It will probably be the only time I will use my adjustable dinner table. I'm serving eggs to symbolize new beginnings."
